

TCB Council & RF Exposure Training WORKSHOP

October 20 to 23, 2025 Baltimore & Online

Dear TCB Council Colleagues,

The TCB Council is pleased to host our Fall 2025 In-Person and Online Workshops from October 20-23, 2025. This will be held as 2 separate events, with a 1-day RF Exposure Training occurring on Monday, October 20, 2025, and the traditional 3-day Workshop occurring from Tuesday through Thursday, October 21-23, 2025. You may register for either or both events using the link below.

Details for the TCB Council Fall 2025 Workshop events are below. The training will be held in-person in Baltimore and online, October 20-23, 2025. Reminder, the TCB Council Basic Training is now available online!

Monday, October 20th – RF Exposure Training

This 1-day training will cover a wide range of RF Exposure aspects, including, introduction, history, technical parameters, measurement procedures, regulatory requirements, KDB guidance and inquiries and reporting/reviewing. New and returning personnel are encouraged to attend.

Tuesday through Thursday, October 21st – 23rd – The TCB Council Workshop

Our Workshop includes 3 days of presentations from ISED, FCC, NIST, and other industry and regulatory leaders. Formal presentations, resources and live peer discussion will offer the knowledge you need to stay abreast of regulatory changes. Facilitated panels and open forums will offer discussion of regulatory affairs from product design, laboratory testing, and TCB perspectives. The world of wireless communications is changing rapidly. Take advantage of this opportunity to prepare for the future of the industry.

Topics include:

- FCC Updates and Discussions
- ISED Canada and NIST Updates
- RED-CA and other International Updates
- Cybersecurity
- RF Exposure
- KDB Sharing Session
- Other topics include: 6G Technology and Testing, Data Reuse, HAC Waiver...

Hotel Room Reservations: We have a limited number of rooms available for \$164/night at the Marriott Inner Harbor at Camden Yards. Make your reservations soon before they are gone! Our room block will be held until October 6th. <https://book.passkey.com/e/51084965>

Join us Live. The Workshop will be held at the Marriott Inner Harbor at Camden Yards. The networking benefits of face-to face participation have been reported by attendees. Social networking and in-person professional exchanges make face-to-face participation a bonus. With rapid, impactful changes in the

regulatory environment, peer discussion and expert interactions are critical to moving forward together. See the networking value of the Workshop.

TCB Council Social Event will be held on Wednesday, October 22 at the Pratt Street Ale House, 6-9PM. All Workshop Registrants are welcome to join in. Fun is getting stirred up by the new Membership and Social Networking Committee.

Presentation materials, resources and videos will be available on the LMS for 10 days following the Workshop. All paid registrants (Live and Online) will have access to the TCB Council's LMS. Of course, each participant is restricted to one device per registration.

Member Discounts. Members of the TCB Council login to receive your discount for each paid registration. In-person seats will be limited so send in your registration now.

The **Agenda** for the RF Exposure Training and the Workshop will be available soon (details are subject to change).

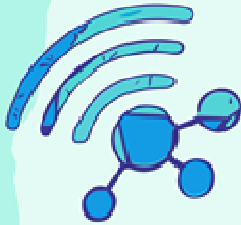

Register Now. Early registration Ends on October 13, 2025. Late registration fees are electronically calculated and will apply to any and all registrations after **October 13th, 2025.**

Interested in Basic Training for new personnel? The TCB Council Basic Training on-demand launched this summer. The online Basic Training replaces our in-person training for new personnel in the industry. The all-new, 8-hour modular format is hosted on the TCB Council's new LMS. Registration is open.

Questions. Please register now for these essential training Workshops. Call or email me with any questions, admin@tcbcouncil.org or 443-622-3300.
